

Community Conversation – Preserving our Past

We all have stories to tell. The varied history that Sheffield has needs to be told and remembered. The Sheffield Public Library can document these amazing times in peoples' lives that can be treasured throughout time. This project can encompass the younger generation as well as the older generation.

If you are interested in getting involved or taking part in the conversations, please contact Jessica Foreshoe at 641-892-4717 or visit sheffield.lib.ia.us for more information. The first meeting will be **Wednesday, May 19th** in-person at the Sheffield Public Library from 7-8PM and will be on Facebook Live for those that want to attend virtually. All are welcome. Refreshments will be provided. A second session will be held **Saturday, May 22nd** at 3:00PM for those that cannot attend Wednesday. That will also be in-person and online as well.
